

GLAREFREE™

SWISSCOAT GLAREFREE™ lenses collection your greatest ally in filtering out virtually 100% reflected glare and absorbing 99% of harmful ultra violet rays. The result? Safe, comfortable vision in all outdoors conditions, Whether you re fishing, skiing, golfing, blking, skating or diving, SWISSCOAT GLAREFREE™ lenses mean the end of squinting against annoying glare that bounces off the surfaces of roads, snow, water or ice.

SWISSCOAT GLAREFREE™ COLLECTION Technology

- Comfort and Protection
- Greater Vision
- Strength and Durability
- Pleasing to the Eyes

Normal Sun Glass
