

iRelax II™

With our **SWISSCOAT® iRelax II™**, wearers are now feeling less visual fatigue when reading or working with computers. With **iRelax II™**, you can relax your eyes during working and it is designed and calculated for reducing a visual fatigue. People between 25 and 45 years old who needs to spend long time using the near vision, working with computers, and as result of it, have visual fatigue are ideal wearers for the **iRelax II™**.

Standard requirement:
(Minimum frame height: 27mm)
