

# WHO

## Transitions® XTRActive™

Transitions XTRActive lenses provide superior darkness outdoors, in all temperatures; will darken modestly behind a windshield; and have an attractive tint indoors.

Transitions XTRActive lenses may be right for you...

- If you spend a lot of time outdoors.
- If you prefer a very dark lens outdoors
- If you like an attractive tint indoors
- If you want the convenience of one pair of eyeglasses
- If you want some darkening behind the windshield

Available in gray, single vision and multifocals.

# WHY

## Transitions® XTRActive™

Transitions XTRActive lenses:

- Are the darkest everyday lens available even in hot temperatures
- Are your best option if you want a slight tint indoors
- Automatically adjust to changing light conditions outdoors
- Provide moderate activation behind the windshield
- Protect your eyes outdoors from most kinds of glare and block 100% UVA and UVB
